

## MATERIAL SAFETY DATA SHEET TITANIUM DIOXIDE FOR PAPER

### I. Product Identification.

*Comercial Name:* Titanium Dioxide for Paper  
*Chemical Family:* Inorganic pigments  
*Supplier:* Básicos y Colorantes, S.A. de C.V.  
*Emergency line:* +52 55 5358-2011

Protective Equipment: F  
Special Risk: --

### II. Composition / Information about ingredients.

Titanium Dioxide (TiO<sub>2</sub>)                      CAS No. 13463-67-7

### III. Hazards Identification.

The product is not known to be hazardous if the usual precautions for prevention of exposure are followed.

### IV. First Aid Measures.

*Inhalation:* Take the victim to fresh air; in case of breathing difficulties, supply oxygen and seek immediate medical attention.

*Ingestion:* Make to the victim drink plenty of water or milk. DO NOT induce the vomit, seek medical attention.

*Eye contact:* Immediately flush eyes with running water, keeping eyelids open, if irritation is developed seek ophtalmologic attention.

*Skin Contact:* After contact with skin, wash immediately with plenty of water, soap or chemical skin protectors. Wash contaminated clothing before reusing.

### V. Fire and Explosion Data

*Fire Extinguishing Media:* Nebulized Water, foam, dry chemical powder or carbon dioxide.

*Restriction:* Not applicable

*Explosion:* Not applicable

*Protective clothing:* Fire protective gear

## VI. Accidental release measures.

Use a shovel to put the material into a convenient waste disposal container, label and close it, and dispose of according to local and regional authority requirements.

## VII. Handling and Storage

Special measures not available. Keep the container tightly closed. Take the usual care measures during the handling of chemical products.

## VIII. Exposure controls / personal protection

Avoid eyes and skin contact. Prevent food and drink contact. Do not eat, drink or smoke in the work area or storage site. Change dirty or polluted clothes with this product. Use safety glasses for eyes and clothes for body.

Protective clothing: safety glasses, rubber gloves, synthetic apron and dust respirator. Adopt the usual care measures during the handling of chemical products.

## IX. Physical and chemical properties.

<i>Physical State:</i>	Solid (Powder)
<i>Color:</i>	White
<i>Molecular weight:</i>	79.8788
<i>%TiO<sub>2</sub>:</i>	99.3 min.
<i>pH (aqueous solution):</i>	6.5 – 8.0
<i>Oil absorption:</i>	23 g/100 g max.
<i>Water demand:</i>	32 g/100 g

## X. Stability and Reactivity data.

*Thermal decomposition:* Stable until 800 °C

*Hazardous reactions:* Not available

Thermal decomposition does not occur if storage and handling properly.

## XI. Disposal, use and management data.

*Accidental spill:* Use a shovel to put the material into a convenient waste disposal container

*Handling and Storage:* Special measures not available.

*Ecological information:* Special measures not available.

## XII. Toxicological Information

*Severe Toxicity:*

LD50 (orally, rat) > 10,000 mg/Kg

LD50 (cutaneous, rabbits) > 10,000 mg/Kg

LD50 (mucous, rabbits) > 6.8 mg/L

*Chronic effects:* Not available

The product is not known to be hazardous if the usual precautions for prevention of exposure are followed.

### XIII. Ecological information

This product is inert, there is not biological activity. Prevent pipes and drainage piping. The product dyes because of that seems a high contamination.

### XIV. Regulatory information

No risk labeling is required, according to the directives of the European Economic Community(EEC).

No one components is listed in the T.S.C.A.

### XV. Transport Information

This material is not labeled as hazardous or harmful. There are any specific requirements under national or international regulations to transport this product in roads, train, sea or air.

It is not a hazardous transport product.

### XVI. Other Information.

<b>Titanium Dioxide for Paper</b>	
<b>Health Hazard</b>	<b>1</b>
<b>Fire Hazard</b>	<b>0</b>
<b>Reactivity</b>	<b>0</b>
<b>Protective Equipment</b>	<b>F</b>

HMIS Clasification

0 = minimal, 1 = slight, 2 = moderate, 3 = serious, 4 = extreme
