

MATERIAL SAFETY DATA SHEET BIOFLEX

I. Product Identification.

Commercial Name: Bioflex
Chemical Family: Water, resin, pigments blends
Supplier: Básicos y Colorantes, S.A. de C.V.
Emergency line: +52 55 5358-2011

Protective Equipment: C
Special Risk: --

II. Composition / Information about ingredients.

<i>Styrenated Acrylic Resin</i>	<i>Non hazardous</i>
<i>Resined Organic Pigment</i>	<i>Non hazardous</i>

III. Hazards Identification.

The product is not known to be hazardous if the usual precautions for prevention of exposure are followed.

IV. First Aid Measures.

Inhalation: Take the victim to fresh air; in case of breathing difficulties, supply oxygen and seek immediate medical attention.

Ingestion: Make to the victim drink plenty of water or milk. DO NOT induce the vomit, seek medical attention.

Eye contact: Immediately flush eyes with running water, keeping eyelids open, if irritation is developed seek ophtalmologic attention.

Skin Contact: After contact with skin, wash immediately with plenty of water, soap or chemical skin protectors. Wash contaminated clothing before reusing.

V. Fire and Explosion Data

Fire Extinguishing Media: Nebulized Water, foam, dry chemical powder or CO₂.

Restriction: Not applicable

Explosion: Not applicable

Protective clothing: Fire protective gear

This material IS NOT FLAMABLE, it cannot keep a combustion

Básicos y Colorantes, S.A. de C.V.

San Francisco No 12, Col. San Francisco Cuautlalpan, Naucalpan Edo. de México
Tel. +52 55 53582011, Fax. +52 55 53582685, <http://www.byc.com.mx>

VI. Accidental release measures.

Use an absorbent product to put the material into a convenient waste disposal container, label and close it, and dispose of according to local and regional authority requirements.

VII. Handling and Storage

Special measures not available. Keep the container tightly closed. Take the usual care measures during the handling of chemical products.

VIII. Exposure controls / personal protection

Avoid eyes and skin contact. Prevent food and drink contact. Do not eat, drink or smoke in the work area or storage site. Change dirty or polluted clothes with this product. Use safety glasses for eyes and clothes for body.
Protective clothing: safety glasses, rubber gloves and synthetic apron. Adopt the usual care measures during the handling of chemical products.

IX. Physical and chemical properties.

<i>Physical State:</i>	Liquid
<i>Odor:</i>	Characteristic
<i>pH:</i>	8.5 – 9.5
<i>Solubility in water:</i>	100% soluble
<i>Evaporation grade:</i>	Slow as ether
<i>Flash point:</i>	Without flash point, measured until boiling point.

X. Stability and Reactivity data.

Thermal decomposition: Not available
Hazardous reactions: Not available
Thermal decomposition does not occur if storage and handle properly.

XI. Disposal, use and management data.

Accidental spill: Use an absorbent product to put the material into a convenient waste disposal container.
Handling and Storage: Special measures not available.
Ecological information: Special measures not available.

XII. Toxicological Information

<i>Severe Toxicity:</i>		
	LD50 (orally, rat)	> 5,000 mg/Kg
	LD50 (cutaneous, rat)	> N.A.
	LD50 (mucous, rat)	> N.A.

Chronic effects: Not available
The product is not known to be hazardous if the usual precautions for prevention of exposure are followed.

XIII. Ecological information.

Biological Elimination: Less than 10%, method: (BOD₅:DQO) x100

⁰ toxicity to fishes: LC₀: ≥100mg/L, test specie: leuisiscus idus

Time of test: 48 hours

⁰ inhibition of bacterial activity in sewage water: no effects at 1000g/L

Test organism: fluorescent pseudomonas, Test method: Organism breathless of activated mud according to Bringmann (1973)

Kind of pollution WGK of water: 1, weak contaminants of water, own classification, WGK = classification according to German law of waters.

XIV. Regulatory information.

This product is accordance with Mexican Official Acts **NOM-015/1-SCFI/SSA-1994** referring to heavy metals on items with which children have contact.

XV. Transport Information

GGVSee/ IMDG Code:---

N⁰UN: ---

MFAG:---

EmS:---

PG:---

MPO:---

GGVE/GGVS: class ---

N⁰:---

RID/ADR:---

N⁰:---

ADNR:class ---

N⁰:---

CAT:---

ICAO/IAT-DGR: no rest.

This product is not hazardous to transport, just keep it individually from foodstuffs.

XVI. Other Information.

Bioflex	
Health Hazard	1
Fire Hazard	0
Reactivity	0
Protective Equipment	C

HMIS Clasification

0 = minimal, 1 = slight, 2 = moderate, 3 = serious, 4 = extreme
